Five organizations have joined forces to present the Thirteenth Annual Accounting & Auditing Student Conference.

As an exhibitor you:

- ◆ Save travel time and visit more schools – over 40 different schools in one day at one location.
- ◆ Have access to pre-qualified candidates for entry level accounting positions – over 600 student attendees with an accounting major.
- ◆ Receive a full-page profile of your company in the conference book.
- ◆ Develop your company's image as an employer of choice – with the high demand for accounting graduates, recruiting employees is similar to recruiting new customers. Companies seen frequently and promoting the culture of their firm become an employer of choice.

- ◆ Corporate employers: mid- to large-size public or privately held companies.
- ◆ Government: federal, state, local.
